### Equipment booking & Payment details

Once we receive your order form, we will send you an official quotation as per your request. For Overseas exhibitors who do not have a U.A.E Bank account, to confirm your booking we require EFT of 100%. Please send us the receipt of the EFT Transaction to confirm your order. Funds transfers must be converted into Local Currency – UAE Dirham

For UAE Based exhibitors we require a Purchase order to confirm your booking, and proof of payment via EFT at least 15 days prior to the event starting, except those exhibitors who have established trading terms with ALMOE AV Productions, which will remain the same for this event.

Late or emergency AV requirements can be done on site with Credit Card – We have a small storage space on site so the range of available AV equipment available is limited for immediate assistance, however we can arrange for equipment deliveries outside of event hours if the need arises. **The below listed prices are discounted for early orders, there will be a 25% surcharge for late confirmations (from November 1<sup>st</sup> 2022) and a 50% surcharge for onsite orders.**

Terms & Conditions of equipment Rental will be provided on the official quotation. Listed prices are inclusive of 5% VAT.

### How to order your equipment

Once you have completed this form or with any enquiries regarding specific AV requirements not included on the form, please email:
