All water fills and pump outs will be completed by the D.E.S. plumbing department. Plumbing labor to fill tank(s) will not be dispatched without the exhibitor notifying the R.E.S. Service Center that tanks are completely set up and ready for filling. When a D.E.S. plumber has completed filling the tanks, you will automatically be placed on the "Pump Out List". Under no circumstances should you drain and dump the water. **Fill and drain rates listed out include fills on straight time only.** Fills after 4:00 pm. weekdays, holidays and anytime on weekends, will incur an additional labor charge. Additional labor will not be charged for post show draining. Multiple units in the same booth, filled at the same time, will be charged based on the total combined gallons used. Draining and refilling during set up and/or show hours will incur additional charges for water and labor.
